

## **MEDIA RELEASE**

Date: June 17, 2016

### **Supporting the Entire Community**

Once again, Shroomfest has made an incredible impact throughout our community – including at Winchester District Memorial Hospital!

On June 8<sup>th</sup>, the WDMH Foundation was pleased to be one of 23 local charities to benefit from this annual men's night out. \$40,600 was distributed and \$3000 was donated to the Foundation.

The WDMH Foundation is honoured to be a recipient for the 10<sup>th</sup> time. Joe Brennan was on hand to accept the donation: "What I particularly love about Shroomfest is your commitment to many different local charities. The Winchester District Memorial Hospital Foundation is honoured to be one of them. This gift will support patient care. Thank you!"
