Two Decades of Great Golf

A little bit of rain and a cool day didn't stop 74 golfers from enjoying the Cloverdale Links Golf Classic on June 11th – all for a good cause. In the end, \$7,415 was raised for the highest priority needs at Winchester District Memorial Hospital (WDMH).

The day included a round of golf, a silent auction, a 50/50 draw and games such as beat the pro. It ended with a delicious steak and chicken dinner.

“Over almost two decades, this tournament has raised tens of thousands of dollars in support of WDMH. In fact, it is the longest running third party event held for the Foundation,” noted Cindy Peters, Foundation Board Member. “We are so grateful to Gib and Elsie Patterson and their amazing staff, the volunteer committee, the sponsors and all of the golfers for your support.”
