A Sweet Donation

Madison Garlough, Whitney-Lee Rodley, Jillian Garlough and Lorelai Rodley are clearly some of the best salespeople around. At a recent family yard sale, they set up a lemonade stand and bake sale table, raising \$152 for the Winchester District Memorial Hospital (WDMH) Foundation.

Recently, these four young entrepreneurs visited the WDMH obstetrics unit to present their donation to Kristen Casselman, Foundation Managing Director.

“We are grateful for this special gift,” Kristen noted. “The money will be directed to the General Equipment Fund, helping WDMH staff provide the best care for our communities. Thank you to Madison, Whitney-Lee, Jillian and Lorelai!”
