The WDMH Love Ball Keeps Bouncing

The Love Ball keeps on bouncing, thanks to Nancy Graham and her generous friends, family and colleagues.

Last spring, Nancy Graham, a Diabetes Education Program nurse, initiated the WDMH Love Ball Project. As a patient and WDMH employee, Nancy says she is proud of the hospital and wants to give back. She invited others to make a difference by making a donation to the WDMH Foundation. As part of the project, donors can leave a personal message on the giant LOVE BALL in the Foundation office.

Over the summer, the project raised \$985. And in September, Nancy held a Campfire for Cancer and raised another \$2,200! To date, \$3,475 has been donated.

“My friends wanted to donate and it was a lot of fun. There were about 75 people around the campfire,” says Nancy. The evening included performances by local talent, a big campfire and, of course, marshmallows.

“It was a great evening in the hood,” adds Lucy Kroeze, one of the hosts for the evening.

“Thank you to everyone who is supporting the WDMH Love Ball Project,” says Kristen Casselman, WDMH Foundation Managing Director. “Every day, our donors go above and beyond with generous and creative fundraising events. Big or small, every one of them has made an impact and we are always grateful.”

If you would like to make a donation, call the Foundation at 613.774.2422 ext. 6162 and mention the WDMH Love Ball Project. Thank you!
